

College Administration

Principal is the executive head of the college. He is guided by the Governing Body in all administrative and financial matters. Chairman is the executive head of the Governing. He guides the Principal in all relevant matters of the college.

The Principal is advised by the Academic Council in Academic matters. The college runs on self-financing and non-profit basis. Deficits on capital and development if any are made up by Anwer Khan Modern Hospital.

Principal along with academic council looks after the human resource management, management of the educational programs, and maintains academic environment in the college.
