Phase I, II, III & IV Co-ordination committees

The academic activities of the college are monitored by a standard quality assurance scheme, guided by the chairman, course committee, who is also the Vice-Principal of the college. A senior Professor is the Academic Coordinator who maintains a constant

monitoring of the ongoing academic activities. Phase I, II, III, IV committees are formed for the 1st Prof, 2nd Prof, 3rd Prof and the final Prof examinations, with senior Professors as the phase coordinators and senior teachers as subject coordinators. They used to sit every 2-3 months to make the time schedule for in-course assessments, class routine, select eligible candidates to appear at the examinations and decide on other issues related to academic and students' activities.
